Hi Leah, Sorry about the phone tag and I'm glad we were able to connect this morning. As discussed, here is the link to the EPA document request process:

<https://www.epa.gov/foia/foia-request-process>

The document that we talked about that might be of the most interest to you is: **Draft Sufficiency Assessment Report, Remedial Design Services, Swan Island Basin Project Area, June 2021**

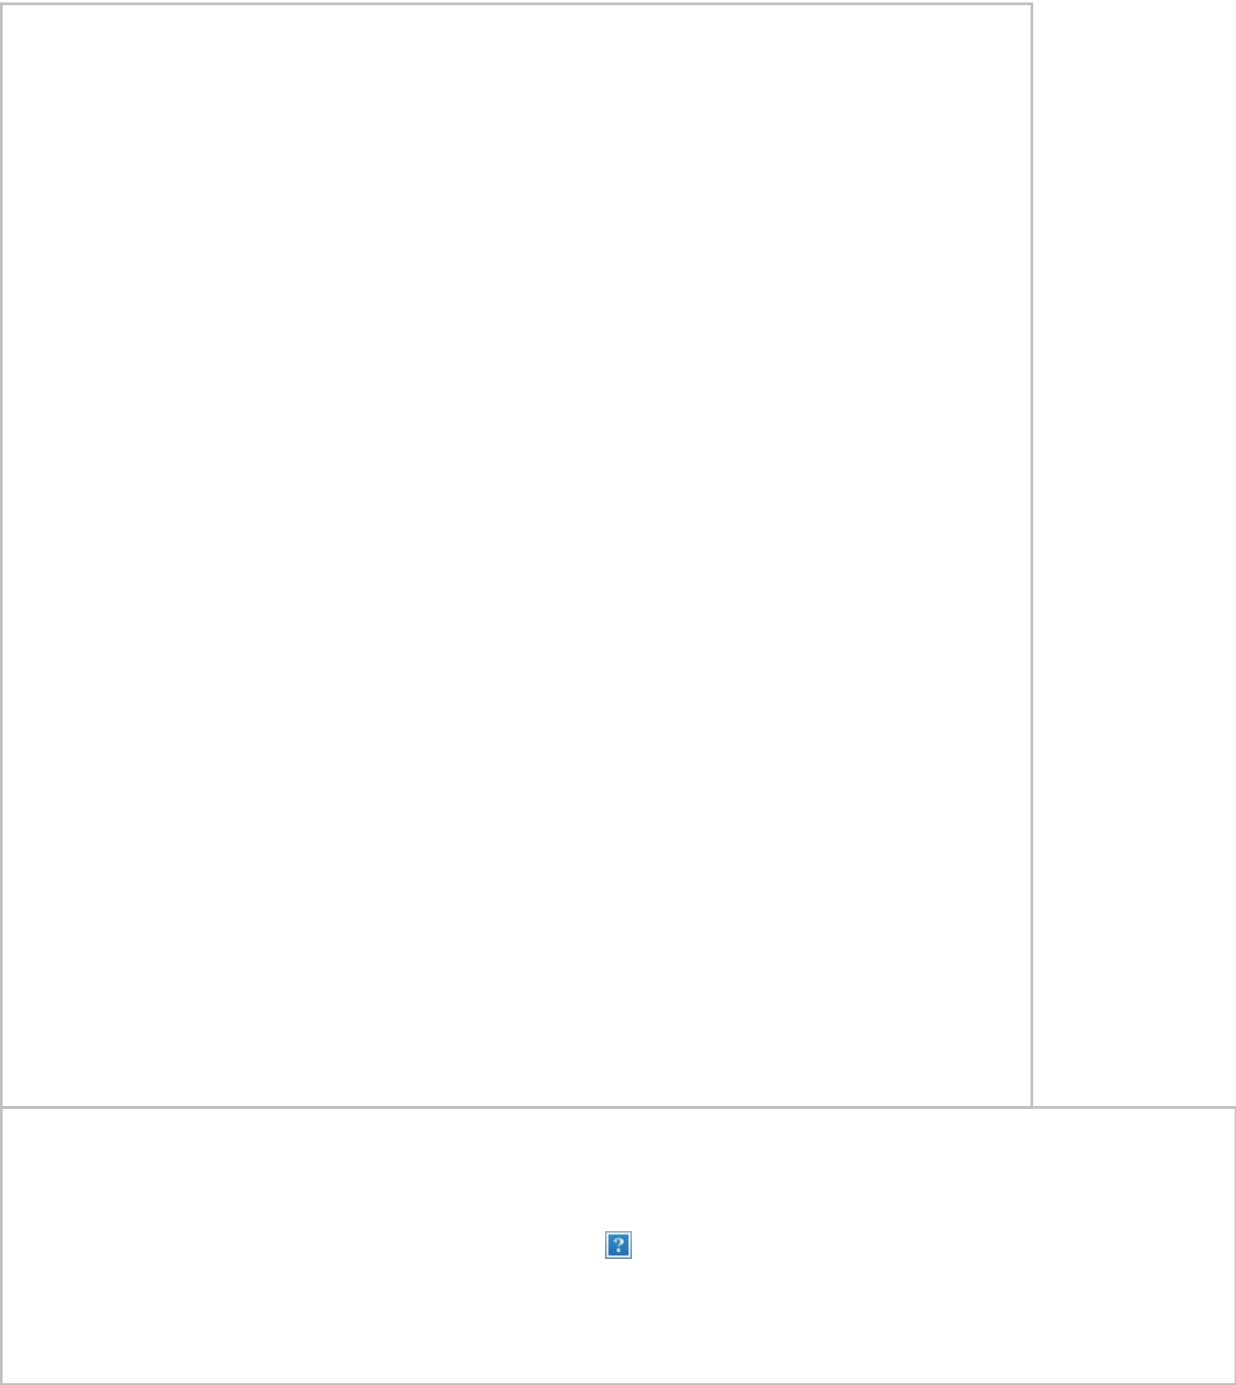

Let me know if you have any additional questions.

Thank you,
Madi

Subject: Portland Harbor Superfund Site - 6135 & 6147 North Basin Avenue Portland, Oregon (Swan Island Basin)

Good afternoon,

I am completing a Phase 1 Environmental Site Assessment on two properties located at 6135 & 6147 North Basin Avenue Portland, Oregon (snippet aerial below). The Subject Property is approximately two contiguous parcels of land, the Parcel IDs recorded as 1N1E17D-02300 and 1N1E17D-02200. Both of these properties fall within the EPA Superfund Site Boundary for Portland Harbors. Can anyone please assist in filtering through all the information to find site specific information to 6135 & 6147 North Basin? Based on the March 2023 Fact Sheet these two addresses fall within the "Swan Island Basin." I would like to review the Phase I sampling report if available or any other reporting for the Swan Island Basin. I appreciate your help! Thank you!
